

# Our Objectives

- To further the teaching and practice of excellence in cosmetic and plastic surgery and to encourage and develop this field of surgery in all its forms.
- To promote, by scientific meetings and other means, as an exchange of ideas and knowledge for the advancement of cosmetic and plastic surgery among Specialist Plastic Surgeons.
- To promote and maintain the highest principles of cosmetic and plastic surgery practice and ethics.
- To seek, receive and disseminate information about cosmetic and plastic surgery.
- To promote, enhance and provide opportunities for training in cosmetic and plastic surgery.
- To maintain and promote cordial relationships with representatives of all surgical disciplines and allied professions, and to work in conjunction with their respective bodies for the benefit and advancement of cosmetic and plastic surgery.
- To promote research in cosmetic and plastic surgery.
- In addition the Society has the power to:
  - Promote a true and correct understanding of the aims and objectives of cosmetic and plastic surgery.
  - Encourage the discipline of cosmetic and plastic surgery by the giving of prizes, Fellowships and other awards.
  - Bring together the Specialist Plastic Surgeons of Australia and New Zealand, and elsewhere, for scientific discussion and practical demonstrations of cosmetic and plastic surgery.

# ASAPS Members

---

As a member of ASAPS, you are amongst a group of eminently qualified and respected Specialist Plastic Surgeons, dedicated to upholding the highest clinical standards in cosmetic surgery in Australia and New Zealand.

**We expect our members to demonstrate a commitment to professional excellence with an emphasis on technical expertise and innovation practiced within a safe and caring environment.**

# Membership Advantages

---

**With the growth of the cosmetic industry, consumers are inundated with choice and a wide range of doctors with varying levels of expertise and training.**

As the peak body for cosmetic surgery, we are passionately committed to educating the general public about the significant benefits of seeking out ASAPS members to perform their cosmetic surgery.

Our members are provided lifelong professional development with access to world-class education, training and networking opportunities. It's expected that you will regularly attend our meetings to ensure you are continuing to stay at the top of your game and to also learn how to grow and maintain your practice.

Your support in upholding the highest standards in cosmetic surgery is expected by being an ASAPS member.

# What We Stand For

---

**Since 1977, ASAPS has been building on its foundation of integrity, care and compassion, with an overriding focus on patient safety and excellence in cosmetic surgery.**

Today, we remain as committed as we were 40 years ago, to upholding the highest standards in the cosmetic surgery field and dedicated to educating the wider public about the significant benefits of having their cosmetic surgery performed by a Specialist Plastic Surgeon.

## Our Vision

To be the voice of Specialist Plastic Surgeons in Australia and New Zealand whose businesses focus on aesthetics.

## Our Mission

To support Australian and New Zealand Specialist Plastic Surgeons in providing the best care to every cosmetic surgery patient through integrated clinical practice, education, research and life-long learning.

## What we Value

- **Professionalism:** We are focused on maintaining the highest professional standards in Plastic Surgery. We are focused on outcomes and take responsibility for our actions.
- **Respect:** We show respect to our patients, colleagues and staff in all personal and professional interactions, listening to and valuing their opinions.
- **Standards:** We pursue excellence in all our endeavours and strive to improve the lives of our patients and co-workers.
- **Conduct:** We offer support and advice to patients, co-workers and colleagues to achieve the best outcomes.
